*Every beautiful wine on this list is hand chosen very carefully.  
Attention to the details of vineyard, picking dates, wine maker's skills and especially the judicious use of oak  
are all of the greatest importance to me when I determine if a wine is going to go onto my list.  
California chardonnays are an extra challenge. It is rare indeed that a new one is invited into our home  
You will find every bottle true to the grape, impeccably balanced and guaranteed to match well with my cuisine at 94.*
